Custom Design / Complex Nail Art <i>Added to the base price of Bio Gel or Acrylic sets. Detailed or advanced nail art is priced separately from your nail enhancement service. Pricing varies based on the number of designed nails, design complexity, materials used, and time required. Please request a quote in person at the beginning of your appointment by showing your inspiration photo — we will confirm the final price before starting the service. Each nail artist has their own technique and style; we will do our best to recreate your inspiration design, but exact duplication</i>	Quote	30 min

Service	Price	Duration
<i>cannot be guaranteed. If you would like our nail technicians to create a custom design using their own creativity, please ask us about our original nail art ideas.</i>
